Should the County obtain additional funds from the State or Federal governments or any other source, it may use the funds in substitution of or in addition to the amount collected from the levy for any of the above-stated public services, including as justification to reduce the levy rates for the following fiscal year. Any unused levy funds from a fiscal year shall carry over to continue to fund the specific public service for the following fiscal year(s).

1. Per the Order entered by the County Commission on the 20th day of February 2024, a ballot issue to authorize an additional levy in the approximate annual amount of \$1,300,124.00 for the fiscal years beginning July 1, 2025, 2026, 2027 and 2028 for the purpose of funding Law Enforcement salaries, benefits, equipment and facilities not covered by current revenue, provided the County Commission shall review each additional levy rate amount before the start of each fiscal year pursuant to West Virginia Code § 11-8-6g(a), and may, at its sole discretion, decrease any and all additional levy rate amounts for the upcoming fiscal year if it finds them unnecessary to fund these public services. Any decrease approved by the County Commission shall be in effect only for that fiscal year, after which the rate of any additional levy rate amounts decreased shall return to the original rate absent further action by the County Commission.
