GENERAL INSTRUCTIONS

(PLEASE MAKE ALL ENTRIES LEGIBLE AND ON THE PROPER LINE)

Complete all sections of this form that apply to your operation. All questions must be answered accurately and this form **FILED BY SEPTEMBER 3, 2013 WITH THE ASSESSOR** of the county for which application is made. **FAILURE TO FILE THIS FORM WILL RESULT IN YOUR PROPERTY BEING APPRAISED AT MARKET VALUE.**

QUALIFYING OPERATIONS: All agricultural production units, with sales, home consumption, or use, of $1,000 or more, may qualify for farm use valuation on the land utilized for production. The **acreage** devoted to each crop and the **livestock** inventories are the supporting data for this application. Units of less than five (5) acres may qualify if sales were at least $500. Any questions related to this form should be directed to the **County Assessor**.

NAME AND ADDRESS: If a label was provided, please make any needed corrections on the label. If no label was provided, please **fill out the name and address area completely.**

NAME OF OPERATION: Only **commonly used** farm names should be entered. i.e., "Jones Hereford Farm" or "Twin Oak." Otherwise, leave blank.

NAME OF OPERATOR: Full name of the person or persons **making the day-to-day** decisions on the agricultural operation. A blank form should be used for any **new operator** with a name, address entered on the lines for correction. **Out-of-business** operations (no crops or livestock production) for whom a labeled form was received should be noted accordingly and submitted as a completed form.

NAME OF LANDOWNER: Enter the name of the landowner (actual owner of property) if different from the operator of the agricultural operation.

WEST VIRGINIA ASSESSOR'S FARM STATISTICS

1. **AGRICULTURAL OPERATION DESCRIPTION: Total acres in farm** should equal acres owned plus acres rented from others minus acres rented to others. **This must be answered**. Acres of crops in Items 2-12 plus acres in Item 13 should equal the **Total Farm** acres in Item 1d. **Acres Owned** refers only to acres related to the farming operation. **Acres Rented from Others** refers only to acres rented by the farming operation for agricultural production. **Acres Rented To Others** refers only to land rented to others for agricultural production.

2-12. **CROPS:** These questions refer to the **acreage** planted or grown **for harvest** during **2013**. For **Hay**, report only **actual acres** in the field, regardless of the number of times cut. Report the **total production for both alfalfa and other hay acres,** in tons in 8, or **total number of bales** and the **average weight per bale** of hay harvested for **both alfalfa and other hay in** 8a or the **total number of rolls** and the **average weight per roll** of hay harvested for **both alfalfa and other hay** in 8b. **Other Crops** include vegetables, berries, grapes, nursery products, greenhouses, tree fruit other than apples and peaches, and any other crops not listed. **Fruit Tree** information is needed only for operations with 100 or more trees.

13. **ALL OTHER LAND: Include** farmstead, roads, woodlands, wetlands, waste, government program land, and any land not already counted.

14. **TOTAL GRAIN STORAGE: Include** any type of structure normally used to store **whole** grain. **Exclude** nonpermanent storage such as troughs, plastic bags or barrels.

15-24. **LIVESTOCK AND POULTRY:** These questions refer to the **peak inventory** number during **2013**. Operations such as broiler houses need only report the capacity of the houses on their operation not the annual production. **OTHER LIVESTOCK** refers to any animal production not listed in Items 15-23 such as fish, emus, ostriches and llamas.

25. **VALUE OF PRODUCTION:** Enter the **total value of crop production from** Items 2-12. **Include** all crops, fruit, vegetables, nursery and greenhouse, Christmas trees, and forest products from the farm acres. Also include gardens with sales greater than $500. Enter the **total value of livestock production** from Items 15-24. **Include** value from cattle, hogs, sheep, goats, horses, chickens, turkeys, bees and other livestock raised on the operation during the twelve month period ending June 30, 2013.

WEST VIRGINIA FARM USE VALUATION APPLICATION

FARM OPERATOR: If land is owned in more than one county, complete the crop and livestock data for the entire operation and the Farm Use Valuation Application for the principal production county. To make applications for land owned in other counties, use additional forms completing the name, address and Farm Use Valuation Application sections, and Item 25 from the principal county form. The principal production county is entered at the top of the form and the property location county is recorded in the Farm Use Valuation Application section.

LANDLORDS: If **all** application land is **rented to others**, the farm operator's name and address and the applicants name and address must be entered. Complete the Agricultural Land Description. See Farm Operator above for second county form.

1. **Operations** with production less than $1,000 must indicate why this land qualifies for **Farm Use Valuation**.
2. **All** applicants must complete. **Mineral income and Non-Farm income** is attributable to coal, oil, gas or other minerals, recreational use. Non-farm income **does not include** salaries or pensions from non-farm employment. **Farm income** is from farming sources.
3. **All corporations** must complete Item 3.
4. Property under perpetual conservation easement with a county farmland protection board, the West Virginia Agricultural Land Protection Authority, or a qualified 501-c-3 land trust shall be awarded farm use status without restriction.

FILE THIS REPORT WITH THE COUNTY ASSESSOR BY SEPTEMBER 3, 2013. FAILURE TO FILE THIS FORM WILL RESULT IN YOUR PROPERTY BEING APPRAISED AT MARKET VALUE.
